

The United States of America was founded upon the idea that, “We hold these truths to be self-evident, that all Men are created equal, endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the Pursuit of Happiness – That to secure these Rights, Governments are instituted among Men...”. As American citizens, these rights are held up as sacred and play a great part in distinguishing us in the US as unique from other nations.

Unfortunately, for the tiniest and most vulnerable of Americans, that right is non-existent. Abortions are often decisions following unplanned pregnancies. Women who are lacking in financial, social, and spiritual support and find themselves pregnant, are likely to find little hope outside of choosing abortion.

At the Buena Vista Pregnancy Center our desire is to offer hope through a variety of resources from information to assist people in making healthy lifestyle and pregnancy choices, to group and individual parenting classes. All the services at the Pregnancy Center are free and confidential. The Center also offers pregnancy tests, limited ultrasound, limited STI testing, parenting classes, maternity and baby items, support, and ongoing friendship as well as financial assistance with rent, medical bills, utilities, food, and gas.

The BVPC exists because of the blessings of the Lord paired with the prayers and support of friends like you.

If you believe that every life should have the right to life, liberty, and the pursuit of happiness want to support ministries that believe in the sanctity of life, then I am asking you to prayerfully consider sponsoring me as I participate in the Yearly Buena Vista Pregnancy Center CELEBRATE LIFE FUND RAISER.

The event will take place September 12<sup>th</sup> and I am walking to raise \$\_\_\_\_\_ for the Center.
